

A POS that's worth the pain of switching

Get the restaurant tech you need to boost your bottom line, backed by a team of experts who actually give a sh*t about your success.

 **Boost revenue** with commission-free online ordering and interactive QR order & pay

 **Add the tools you want:** handhelds, KDS, reservations, loyalty, third-party integrations, and more

 **Manage & retain your team** with data-driven employee scheduling, tip distribution, and payroll prep

 **Make data-backed decisions** to optimize your menu, turn more tables, and reduce labor and food costs

 **Make the switch easy** with on-site implementation and training and 24/7 customer support from SpotOn's hospitality experts

Exclusive member offer

30% discount on your first point-of-sale station

— OR —

Free trial of our reservation & waitlisting platform or labor management platform
